

MOTION BY SUPERVISOR DON KNABE

December 16, 2008

The Del Rey Yacht Club will be hosting the 20th Biennial Marina del Rey to Puerto Vallarta, Mexico, International Yacht Race commencing January 31, 2009. This well known and prestigious race originated in 1971 and is the longest continuously and regularly scheduled international yacht race to originate within the continental United States.

In past years, the Los Angeles County Department of Beaches and Harbors has, at our Board's direction, waived dock fees for participants in the race who could not dock at Del Rey Yacht Club due to space constraints. This year, approximately 25 to 35 boats will participate in the race and the Yacht Club has requested that dock fees be waived for up to 5 transient slips at Burton Chace Park, which would be used, on an as-needed basis, prior to the race.

I, THEREFORE MOVE, THAT the Board of Supervisors instruct the Director of the County Department of Beaches and Harbors to waive the transient slip fees at Burton Chace Park in an amount of up to \$2,830, excluding the cost of liability insurance, for the use of up to 5 berthing spaces by the Del Rey Yacht Club to moor vessels prior to the 20th Biennial Marina del Rey to Puerto Vallarta, Jalisco, Mexico, International Yacht Race, for the period from January 16, 2009 through January 31, 2009.
